Dear Angela McCown, Director of Victim Services Division

Please do not allow Ricky Carter to be released!!

Time and time again, drunk drivers make conscious decisions to drink and drive. All the way back to driver education classes, drivers have been taught the deadly consequences of drinking and driving. Ricky Carter carelessly turned his vehicle into a deadly weapon and killed four innocent young girls with promising lives. He received a bargain with a twenty-year sentence; only five years for each child. What I don't comprehend is why it isn't longer than that.

Respectfully,
