Dear Angela McCown, Director of Victim Services Division

It would be another crime to allow Ricky Carter out of jail. If he were let out, you would be sending a message to young and old that drinking and driving is okay if you do it in Texas. We need to continue to let the public know that it will not be tolerated.

I am a CASA, Court Appointed Special Advocate, for Parker County. I see all the time the hurt and pain our children in the system go through. The four young Brock students were happy good kids; they did not deserve to die at such an early age. Moreover, the pain their family and friends suffer every day should be a reminder to our court system, keep offenders like Ricky Carter in jail for as long as possible.

Respectfully,

Robyn Jackson
