Dear Angela McCown, Director of Victim Services Division

I am writing to protest the release of Ricky Carter. No way should this man be free. He murdered 4 innocent young girls

We must not allow Carter to return to our community!

Ricky Carter's reckless disregard for the safety and well-being of others resulted in the destruction of four innocent families in our community.

Consider the PRICE each of these totally innocent families paid for the CRIME Ricky Carter committed.

I am also speaking up for the four angels who cannot speak for themselves. They could not be protected from Ricky Carter, but we can protect others by insisting that Ricky Carter remain behind bars!

He has murdered 4 innocent young ladies and destroyed MANY families; he should not be allowed to ever do this again. They never had a second chance.
